

## JOIN THE 2000+ ATTENDEES Who Wanted to Make a Positive Impact on Their World

Specialty Products, Inc. (SPI) Poly Training Academy (PTA) offers a cutting-edge Advanced Applicator Training Course that delivers a positive impact. The PTA delivers unparalleled classroom instruction, hands-on experiences, introduction to new technologies, guidelines to proper surface preparation, and market insight. The Advanced Applicator Training Course is a 4 day training opportunity that can accelerate your new career in the coating or foam industry, or help improve your current business.

“Specialty Products, Inc. offered a great training class...  
It gave me the knowledge to go out and do it myself.”

- Tanner Martin » HTH POLY SYSTEMS
